

## Occupational Health and Safety

We at **Amorim Cork** are fully aware of the fact that **people's safety** comes **first** and that the protection of infrastructures guarantees the sustainability of our business and as such we have made the following commitments to Health and Safety at Work:

- Emphasize individual responsibility and accountability at all levels of the company for issues related to occupational health and safety;
- Promote OHS training, education, information and resources to guarantee the safety of people in the workplace;
- Provide staff with a safe and healthy working environment and ensure their protection;
- Ensure that activities carried out by workers from outside the company do not constitute a risk to co-workers or facilities;
- Measure, evaluate and communicate compliance with legal requirements as well as OH&S procedures and instructions.
- Ensure the protection of facilities by eliminating / reducing associated risk;
- Ensure the protection of work equipment by eliminating / reducing associated risk;
